I write from Choice Hotels International, we operate 95 hotels throughout the state of New Mexico. Over the last 2 weeks I have had several requests from state health departments and private hospitals to use our hotels for medical staff isolation rooms, patient isolation rooms, and other ideas that hospitals have to battle Covid19. State hospital associations have the ideal reach to help hospitals implement such ideas.

Do you believe your member hospitals can benefit from partnerships with nearby hotels? If so, I'd love to talk to you about how we can source our hotels to lease full hotels or individual discounted rooms for hospital patients or staff.

Below is a list of all Choice Hotels in your state:
